

Instructions

1. Ensure you have the following items:

SneakPeek
Test Kit

QML
Pathology Form

SneakPeek
Consent Form

Pre-Paid Shipping
Envelope

2. Go to nearest QML Pathology centre for your blood draw.

<https://www.qml.com.au/collection-centres/>

3. Place your blood sample and completed SneakPeek Consent Form into the shipping envelope.

Blood
Sample

SneakPeek
Consent Form

Pre-Paid Shipping
Envelope

4. Drop off the package at your nearest Australia Post.

- Take photo of shipping label on outside of envelope. Keep for your records to track the package.
- Hand package to postal employee (do not drop off in a bin outside).

5. Your blood sample is shipped via Australia Post to a warehouse in NSW. From there, it is shipped via FedEx Priority International to SneakPeek Labs in California USA for processing. If you would like the FedEx tracking # for the second portion of the shipment, please contact the email below with your Australia Post tracking #.

6. You will receive your baby's gender results within 4-6 business days!
